

## Escondido Watershed Journey Tour Series Begins in January

*San Elijo Lagoon Conservancy Presents 4-Part Series of Tours from the Mountains to the Coast*

Explore your Escondido Creek watershed! Begin your journey near the Escondido Creek headwaters and conclude at the Pacific Ocean. With so little fresh water to go around, it's important to understand where your water comes from, how it flows downstream, and what you can do to protect your watershed. Visit Dixon Lake. Take in panoramic views from Double Peak Park. Stroll along a freshwater creek at Elfin Forest before hiking up through oak woodland and chaparral. The series will conclude at San Elijo Lagoon where you will learn the many important functions this unique and rare habitat provides. This series is produced in collaboration with the City Parks & Recreation Departments in Escondido, Olivenhain Municipal Water District and Elfin Forest Recreational Reserve.

- Members \$20 | Public \$40 (entire series)

**Jan 28: Dixon Lake | Feb 25: Double Peak | Mar 25: Elfin Forest | Apr 22: San Elijo Lagoon**

**San Elijo Lagoon CONSERVANCY** is the nonprofit land trust for San Elijo Lagoon Ecological Reserve. Its **VISION** is a world where biodiversity is preserved and people act to conserve nature and embrace it as central to a healthy community. Its **MISSION** is to protect and restore the resources of the 1000-acre reserve, its watershed, and related ecosystems for the benefit of current and future generations.
